## RAJIV GANDHI GOVT. POST GRADUATE COLLEGE, AMBIKAPUR (C.G.)

# POST GRADUATE COURSE IN PSYCHOLOGY (UNDER SEMESTER SYSTEM)

#### BASED ON CBCS MODEL CURRICULUM

MASTER DEGREE
IN

**PSYCHOLOGY** 

**SESSION 2023-24** 

#### **Programme Outcomes**

PO-01 Disciplinary knowledge of Psychology and Psychological thought.

PO-02 Counseling Skills.

PO-03 Communication Skills.

PO-04 Research Related Skills.

PO-05 Disaster Management.

PO-06 Computer Application in Psychology.

PO-07 Psychotherapy.

PO-08 Psychological Statistics.

PO-09 Digital Literacy.

PO-10 Values: Moral, Ethical and Human.

PO-11 Problem Solving.

#### **Programme Specific Outcomes**

The students who complete the programme successfully will be able to

#### demonstrate:

PSO-01. an extensive knowledge of the fields of Psychology.

PSO-02. a deep familiarity with counseling techniques & Psychotherapies.

PSO-03. a proper understanding of research methodology.

PSO-04. a life saving techniques through disaster management.

PSO-05. an attitude to life as a set of human and ethical values.

### M.A. IST SEMESTER Course outcome

### Paper-1 A conceptual History of Psychology

After completing the course the students will able to demonstrate.

CO1 -a comprehensive knowledge of history of Psychology in general and in particular.

CO2-a critical understanding of Psychological thought in the west.ability to understand modern andpost modern Psychology.

CO3-a critical inclination to study the essential aspect of all knowledge of Vedas, upnishad, yoga, samkhya and intergal yoga.

CO4- a capacity to compare and contrast of Psychological knowledge paradigms, paradigmatic controversies and contradiction and emerging confluence s

CO4- a research tendency to go for innovative studies of science and spirituality.

CO6- a sociological sense of responsibility with traditional and contemporary attempts of major schools of Psychology
